TO WHOM IT MAY CONCERN

Hazeldean Angus Stud, Cooma will be conducting their annual Hazeldean Angus Bull Sale at the Tamworth Regional Livestock Exchange – TRLX – 1pm, Wednesday, 18th August 2021. The bulls have been despatched from Cooma, NSW, and yarded at TRLX prior to the statewide lockdown coming into effect 5pm, Saturday 14th August 2021.

It will be necessary for buyers to inspect these bulls either a few days prior to the sale day and/or on sale day to make necessary decisions about the suitability of these animals to their breeding programs.

We request the appropriate authorities grant access to holders of this letter as proof of their bona fide intentions to secure breeding bulls as an essential part of their continuing involvement in agriculture and the beef industry supply chain.
